

St. Martin Heritage Park Charlestown, Inc. Quarterly Newsletter March 2008

Wow, what a winter it has been in Wisconsin!! We are sure all of you are just as anxious for spring to arrive as the Board since we have so many fun and exciting activities planned for 2008.

We are thrilled to report the demand for hall rentals have been awesome. This demand also created the need for a reliable heat source in the hall so in December a new furnace was installed. If anyone would like to make a financial contribution toward this expense please feel free to do so, just note that on your donation.

Spring will be a very exciting time at the park. As soon as the weather allows our new swing set will be installed in the playground area.

Another project that will make a fantastic impact on the park will be the construction of our "Celebration Gazebo". The Don Pfister family has made a substantial donation for this project in memory of his wife Lynn who passed away last July.

Both of these projects will add to the attraction of the park. Children will now have a safe and functional playground area. Once the gazebo is complete, the possibilities for its use are limitless. It can be a peaceful spot to enjoy your lunch, an area to give you shade on a hot sunny day, a beautiful area for a wedding ceremony, a photographic backdrop for a family photo.....

If you would like to donate your labor to help with these or any other projects please contact any board member or e-mail us at Info@StMartinHeritagePark.org.

2008 Calendar of Events

March 15~ A Wine and Beer Tasting Benefit will be held at St. Martin Heritage Park. This event will start at 6:30 p.m. and include a silent auction. Get your Irish eyes a-smilin` with great beverages mixed with Irish merriment.
