

## St. Martin Heritage Park Charlestown, Inc. Quarterly Newsletter September 2008

Fall is knocking at our doorsteps and the flurry of activities at Heritage Park keeps going! Here is what the board members and all of our terrific helpers have been up to.....

**Second Annual Golf Outing** ~ We had 19 teams participate in this event on June 22nd. Thank you goes out to our hole sponsors and to all the raffle donors.

**1<sup>st</sup> place winners ~ Pla-Mor Lanes**

**St. Martin Parish & School Reunion** ~ Over 300 people were able to join us on August 3<sup>rd</sup> for the alumni reunion. The weather was perfect for the outdoor mass and picnic. We were thankful that Father Roman Mueller was able to make the trip from California to be the celebrant. Father Loren Nys and Father Al Geiser assisted him at the mass. All who visited the chapel museum were amazed to see all the work that the Heritage committee accomplished as well as the beautiful wedding chapel decorations.

**VFW Flag dedication**

Our lighted flagpole was made possible through a generous donation and a new flag was donated and dedicated at the alumni reunion by the VFW Post 3153.

**Reunion Mass**

**Phase II Dedication** ~ On Sunday September 7<sup>th</sup> we celebrated the dedication of all the donations received this past year. Trees, plantings, the chapel museum, chapel decorations as well as the gazebo were all acknowledged. A special thank you goes out to Don Pfister for the financial contribution for the gazebo and to Mike Pfister for designing and building such a beautiful structure. The board continues to be very grateful to all the members and donors who have given so generously. We could not have accomplished all that we have without your help!

### ***Going Green***

The board has approved the installation of a geo-thermal heating system for the chapel. Thanks to an awesome anonymous donation of \$10,000.00, we have a good start on the funding for this project, which has an approximate cost of \$18,000.00. With the rising cost of fuel oil, this type of system will give us substantial savings over its lifetime. Anyone that would like to make a financial contribution toward the new geo thermal system please be sure to note that on your donation.

### ***Memorial Trees***

We currently have two Emerald Green maple trees for sale. The cost is \$500.00 each and remember they can be in memory or in honor of anyone you choose. Please contact any board member if you wish to make a purchase.

### ***Stove for Sale***

We have decided to sell the 8-burner gas kitchen stove currently in the social hall. We are asking \$900.00, please call Roger Woelfel if interested at 920-849-9557.
